3. Students Perception about Curricula Needs	Q.3.1: Is the language barrier easily overcome with the preparation provided by the school?				
	Q.3.2. If you have chosen the " No " option, you can suggest, under the circumstances, what the justification for this option is:				
	a) No, since the preparation provided by the school is not sufficient and therefore there is a need for extra training				
	b) No, because the exclusive teaching of the Portuguese language is not assured in a necessary and sufficient way to overcome my difficulties				
	C) No, because I consider it to be a major barrier that can only be overcome by training and staying in the local context				
	d) Other reason				Do you want to tell us?
	Q.3.3. Do you identify the need for a curriculum adapted to the individual needs of each migrant child and/or young person?
